

**Discoveries that will
inspire you.**

An aquatic environment in the center
of the city and close to the sky...

A place for people to connect with other living creatures
in an atmosphere of learning and relaxation...

A place where everyone experiences the same excitement...

It is where one can get up-close,
unwind and become one with nature...

With our staff eager to share in the enchantment of
this aquatic world with you, we invite you to
come and experience a new type of aquarium
with all of your senses.

Having brought delight and joy for 33 years*
as Japan's first metropolitan high-rise aquarium,
an exciting new chapter in the history books of
Sunshine Aquarium is about to begin.

A new discovery awaits with each visit,
and with it, comes a new opportunity
to get in touch with nature.

*As of renewal, August 2011

Please scan the QR codes placed throughout the aquarium. Detailed descriptions of tanks and living creatures will be displayed.

There's always something happening!

At Sunshine Aquarium, there's always something happening and you can experience the full charm of living creatures anytime, anywhere.

In "Discovery of Living Creatures," we introduce animals' natural state and interactions with people. Let's discover new things.

Feeding

We explain what and how the animals eat. Every feeding has some kind of hidden trick.

Training

We conduct daily training exercises to manage the animals and their health. The training also lets you see their capabilities and special characteristics.

いきものディスカバリー

Discovery of Living Creatures

Note

We do not disclose the times and locations of events.

Health Management

You can get a glimpse into the animals' daily lives and the keepers' work, such as weighing the animals, brushing their teeth, and cleaning their habitats.

Explanations About Animals

We explain the animals' highlights with stories and trivia based on our own experience.

Paid
Events
